## AC4 FITNESS MEMBERSHIP AGREEMENT

### MEMBER RISK

**Declaration of Health by Member:** Member represents that he/she is in good physical condition and that the Member has no disability, impairment or ailment, preventing or restricting the Member from engaging in active or passive exercise that will be detrimental or harmful to member's health, safety, comfort, or physical condition. The Member hereby agrees to complete the attached Risk Factor Self Assessment (see Exhibit A).

**Assumption of Risk:** Any athletic or physical activity involves certain inherent risks. These risks can range from minor injuries to major injuries including death and accidental injuries. Accidental injuries include those caused by you, those caused by other persons, those of a slip and fall nature, and injuries occurring anywhere in the club including but not limited to: hallways, lobbies, exercise areas, shower areas, dressing rooms, or activities associated with the club, but outside the club. In consideration of Member participating in the activities and use of the facilities offered by AC4 Fitness, Member knowingly and freely assumes the risk of any and all accidents or injuries of any kind that may be sustained by, or in connection with, use of the facilities.

**Unsupervised Fitness Center:** Member acknowledges that AC4 Fitness is an unsupervised fitness center. Member assumes all risks associated with using exercise equipment and exercising alone without the presence or supervision of club staff.

**Tanning:** If the Member has elected to make use of the Club Tanning Equipment, he/she represents that he/she understands the risk involved and the proper use of the equipment and utilizes it at his/her own risk (see Exhibit B).

**Release of Liability and Hold Harmless:** Except for those claims based upon willful misconduct or gross negligence, Member agrees to fully release, discharge, indemnify, defend, and hold harmless, AC4 Fitness, its owners, officers, directors, shareholders, employees, instructors, agents, lessors of premises and equipment, and affiliates ("Releasees"), and to assume responsibility for any and all present and future claims or demands resulting in injury, death or property damage, whether caused by the negligence of Releasees or otherwise, while Member is in, or about the AC4 Fitness premises or any facilities or equipment, or taking part in any activities associated with the club, but outside the club. Member understands that the Club is relying upon the Member's acceptance of this Release of Liability and Hold Harmless provision in agreeing to enter into this Membership Agreement with Member.

**Steroid Warning:** Use of steroids to increase strength can cause serious health problems (see Exhibit C).

**Medical Declaration by AC4 Fitness:** AC4 Fitness cannot provide a Member with any medical advice or suggest any medical treatment. Only licensed medical professionals are qualified to give medical advice. Member is hereby informed and acknowledges that AC4 Fitness has made no claims as to medical results that can or may be obtained through use of any AC4 Fitness facility. Member represents that there are no medical or physical conditions that would prevent the safe use of AC4 Fitness facilities. Member further represents that he/she has not been instructed by any physician to not use AC4 Fitness or similar facility.

**Damage to Property or Loss of Property:** AC4 Fitness will not be responsible for the loss, theft, disappearance, or damage to any personal property, including money, negotiable securities or jewelry belonging to Member. Members are strongly encouraged to leave valuables at home or to keep them on their person at all times. Lockers do not always protect valuables from theft.

Member is strongly encouraged to take advantage of a free orientation or inquire with staff to insure the safe use of equipment.

### **MEMBERSHIP TERMS, PAYMENT AND PROVISIONS**

**Access:** AC4 Fitness is a Private Key Club for adults. We provide access to members for the purpose of exercise and the club's health related activities. By executing this agreement and upon presentation of photo ID and payment of a key-fob rental fee, the Member receives an electronic key-fob. The key-fob provides access to use the facility during all hours of the day, any day of the week. Periodic exceptions may apply (see Change in Facilities and Operating Hours). The key-fob remains the property of AC4 Fitness and must be returned upon Membership Cancellation, Termination, or Expiration. Failure to return the key-fob will result in a \$15 charge.

**VIP Membership:** Members may also purchase a value option membership that entitles the Member to the same basic access as the Basic Membership, but with an additional package of benefits, including:

- 1) One Tanning session once every 48 hours
- 2) One Hydro Massage session per day
- 3) Wi-Fi Access

**Month-to-Month Membership:** Our most popular and flexible membership requires no long-term commitment. Members pay electronically in advance on the 1<sup>st</sup> of each month for that calendar month of membership. Members may cancel their Month-to-Month membership after the initial EFT payment has been made (see section on Membership Cancellation).

**Membership Term:** The period covered by the first month's dues, as well as any subsequent months of Membership for which payment is received, is considered the "Paid Period" of the Month-to-Month Membership. The "Paid Period" is the term of the Month-to-Month Membership.

**Membership Dues Increase:** AC4 Fitness reserves the right to increase the monthly dues either once per calendar year or upon the 13<sup>th</sup> month of membership. Unless the Member is provided with a thirty (30) day notice, such increases shall not exceed \$2.00 per month. AC4 Fitness has the right to add to the monthly membership dues any tax imposed by the government.

**Enrollment Fee:** The Member or Buyer is required to pay a non-refundable enrollment fee as a requirement of the Month-to-Month Membership. As long as the membership is maintained in good standing the enrollment fee will be charged only once during the term of the membership. The enrollment fee may change from time to time at the discretion of AC4 Fitness.

**Annual Maintenance Fee:** Member or Buyer may be charged an Annual Maintenance Fee of \$15. AC4 Fitness may increase the Annual Maintenance Fee once per calendar year. Unless the member is provided with a thirty (30) day notice, such annual increase shall not exceed \$2.00.

**EFT Payment Authorization:** All reoccurring and incidental charges are conducted by means of Electronic Funds Transfer (EFT). Member or Buyer does hereby authorize AC4 Fitness third party billing administrator to electronically and automatically bill their bank or credit card company (as indicated) for payment by way of EFT. This EFT billing may apply to: Monthly Dues, Annual Maintenance Fee, incidental/service charges as a result of Insufficient Funds, or other usage and service associated fees. EFT is the safest form of payment available and the Member or Buyer maintains full control and privacy over their accounts at all times.

**Non-Payment of EFT Billing:** Any monthly EFT billing which is returned for non-payment will become due and payable immediately, including, if warranted, an Incidental Service Charge of up to \$25 for each returned EFT billing (see below). If the EFT billing for any two successive months results in Non-Payment, the membership will be cancelled and the member will be liable for all outstanding monies due at that time. Placing a stop payment or disputing a credit card charge does not relieve the Member and Buyer of the obligation to comply with proper Membership Cancellation procedures.

**Notice Regarding Returned Checks and EFT Billing:** Pursuant to California Civil Code, Section 1719: AC4 Fitness may charge up to 25.00 for each returned check, EFT, or credit card payment. Further, any person who makes a check, draft, or order for the payment of money which is dishonored may be civilly liable for *damages equal to treble that amount, which shall not be less than one hundred dollars (\$100) nor more than one thousand five hundred dollars (\$1,500)*. Except in the case of a “good faith dispute” placing a stop payment on your account or disputing a credit card charge does not relieve you of your obligation to comply with proper Membership Cancellation procedures.

**Change in EFT Billing Information:** To avoid a Non-Payment of EFT Billing and associated incidental service charges, any change in billing information must be provided fifteen (15) days prior to the next EFT payment date.

**One-Year Pre-Paid Membership:** The Member may elect at time of enrollment the option to pay in advance all monthly dues for a Membership Term of one year. In so doing, AC4 Fitness will waive the Enrollment Fee. Any special renewal offer must be paid by 12:00 midnight on the anniversary date of the One-Year Pre-Paid Membership.

**Right to Modify Dues:** Except as provided within this Membership Agreement AC4 Fitness reserves the right to adjust any fees at any time at its sole discretion. Further, AC4 Fitness has the right to add to any membership dues, any tax imposed by the government.

**Unpaid Balances:** Outstanding balances past thirty (30) days are subject to membership suspension and a service charge of \$15 for each month overdue. Any cost for collections incurred by AC4 Fitness will be added to the member’s outstanding balance. Upon termination or cancellation of membership any unpaid balance for services, membership fees, or merchandise will become immediately due. AC4 Fitness reserves the right to charge past due balances and related charges to the Membership account under EFT authorization.

**Medical Freeze of Membership:** At the sole discretion of management, AC4 Fitness may allow a membership to be placed on a Medical Freeze. To be eligible for a membership Medical Freeze the membership must be in good standing with all fees and charges current. The term of the Freeze may be for no more than six (6) calendar months at one time and for no less than one (1) calendar month. An e-mail notification is required at least fifteen (15) days prior to the next EFT billing (see AC4 Fitness website for information). **There are no “retroactive freezes.”** AC4 Fitness reserves the right to require a Physician’s verification. The membership will resume automatically at the conclusion of the freeze period. Any Pre-Paid Membership will be extended an amount equal to the period of the freeze.

**Month-to-Month Membership “Retention:”** At the sole discretion of management, AC4 Fitness may allow a Month-to-Month Membership to be placed on Retention. A nominal fee will be charged for each month of Retention and the membership will automatically resume at the conclusion of the Retention period. An e-mail notification is required at least fifteen (15) days prior to the next EFT billing (see AC4 Fitness website for information). Membership Retention is not available for Pre-Paid Memberships.

**Member’s Payment Obligation:** Member and/or Buyer shall not be relieved of the obligation to make payments agreed to and no deduction from any payment shall be made because of Member’s failure to use the AC4 Fitness facilities. Dues are for the period stated in the Agreement.
